History of the Civil War, 1861-1865
James Ford Rhodes

Superbly written, this overview of the Civil War, won a Pulitzer Prize in History in 1918. Rhodes covers not only the battles and the generals of the war but gives us a good deal of insight into the politics, economics, international relations and the strategy/thinking of the times. When at times he brings forth an opinion it is clearly stated, so as not to be confused with the facts. Comprehensive and enjoyable, you will find this History of the Civil War both illuminating and captivating.
